ORDER

For the reasons stated on the record, the Government's Motion for Clarification and Reconsideration [Dkt. No. 162] is DENIED to the extent that the Government seeks reconsideration of the legal underpinning of the Court's holding reflected in the July 29, 2011 Order [Dkt. No. 142], but it is GRANTED to the extent that the Court has provided clarification as to the proper scope of Mr. Risen's testimony. Because such testimony will include limited inquiry into the document the Government has labeled Risen's proposal for State of War, it is hereby

ORDERED that the Government make available to counsel for Risen its unredacted copy of the proposal to enable Risen to review it with his attorney before trial.

The Clerk is directed to forward copies of this Order to counsel of record and the Classified Information Security Officer.

Entered this 12th day of October, 2011.
