duplication, and to explore fully how
interim data and information from each
study can be used to inform the other
studies. Information from the quick
response surveys will complement but
not duplicate other ETA reporting
requirements or evaluation studies.

II. Review Focus

Currently, ETA is soliciting
comments, concerning the proposed
extension of the Quick Turnaround
Surveys of WIA, that:

(a) Evaluate whether the proposed
collection of information is necessary for
the proper performance of the
functions of the agency, including
whether the information will have
practical utility;

(b) Evaluate the accuracy of the
agency’s estimate of the burden of the
proposed collection of information,
including the validity of the
methodology and assumptions used;

(c) Enhance the quality, utility and
clarity of the information to be
collected; and

(d) Minimize the burden of the
collection of information on those who
are to respond, including through the
use of appropriate automated,
electronic, mechanical, or other
technological collection techniques or
other forms of information technology, e.g., permitting electronic submissions
of responses.

A copy of the proposed information
collection request (ICR) can be obtained
by contacting the office listed above in
the addressee section of this notice. It
can also be accessed at http://
www.doleta.gov/OMBCN/
OMBC�ControlNumber.cfm.
