October 20, 1988

NATIONAL SECURITY DECISION
DIRECTIVE NUMBER 317

Amendment to Nuclear Weapons Deployment Authorization for FY 1988 and FY 1989

The basic authorization for nuclear weapons deployment for FY 1988 and FY 1989, NSDD-303, dated April 15, 1988, is amended as follows:

The Secretary of Defense is authorized to retain

These warheads, scheduled for return to continental United States, should be returned to the U.S. as early as practicable.

This authorization is in addition to the totals now reflected in the tables appended to NSDD-303 and is not transferable to other warhead types or other country locations.
