Washington, DC 20036

Dear Mr. Aftergood:

This responds to your Freedom of Information Act/Privacy Act request dated February 6, 2014, which we received in this Office on February 6, 2014. The enclosed three pages are provided to you as responsive to your request, a copy of which is attached. The file is being released without excision. Please note the following information about the data. The data was compiled from funding and inventory data found in previous Unmanned Systems Roadmaps and public presentations. For the years where the inventory data was not available, the data was interpolated from data available for the preceding and following years. The funding is President's Budget data as presented in the roadmap that corresponded to the fiscal year. For example the FY2011-2015 funding is the PB FY 2011 funding as shown in table 1 of the Unmanned Integrated Roadmap FY2011-2036. The roadmap can be found at:  
<http://www.acq.osd.mil/sts/organization/uw.shtml>

Inasmuch as this constitutes a full grant of your request, I am closing your file in this Office. There are no assessable fees associated with this response.

Sincerely,

*Charles C. Morge*
