The Honorable Patrick J. Leahy

The Honorable Arlen Specter
Ranking Member
Committee on the Judiciary
United States Senate
Washington, D.C. 20510

Dear Mr. Chairman and Senator Specter:

Thank you for your letter of December 10, 2007, regarding your concerns about the reported destruction by the Central Intelligence Agency (CIA) of videotapes showing interrogations of detainees and the Department’s review of this matter.

As you note, the Department’s National Security Division is conducting a preliminary inquiry in conjunction with the CIA’s Office of Inspector General. Enclosed please find a letter from Assistant Attorney General Kenneth L. Wainstein to CIA Acting General Counsel John A. Rizzo which provides some further detail regarding this inquiry, and which was released to the public on December 8th.

As to your remaining questions, the Department has a long-standing policy of declining to provide non-public information about pending matters. This policy is based in part on our interest in avoiding any perception that our law enforcement decisions are subject to political influence. Accordingly, I will not at this time provide further information in response to your letter, but appreciate the Committee’s interests in this matter. At my confirmation hearing, I testified that I would act independently, resist political pressure and ensure that politics plays no role in cases brought by the Department of Justice. Consistent with that testimony, the facts will be followed wherever they lead in this inquiry, and the relevant law applied.
Finally, with regard to the suggestion that I appoint a special counsel, I am aware of no facts at present to suggest that Department attorneys cannot conduct this inquiry in an impartial manner. If I become aware of information that leads me to a different conclusion, I will act on it.

I hope that this information is helpful.

Sincerely,

Michael B. Mukasey
Attorney General
Dear Mr. Rizzo:

I am writing this letter to confirm our discussions over the past several days regarding the destruction of videotapes of interrogations conducted by the Central Intelligence Agency (CIA). Consistent with these discussions, the Department of Justice will conduct a preliminary inquiry into the facts to determine whether further investigation is warranted. I understand that you have undertaken to preserve any records or other documentation that would facilitate this inquiry. The Department will conduct this inquiry in conjunction with the CIA’s Office of Inspector General (OIG).

My colleagues and I would like to meet with your Office and OIG early next week regarding this inquiry. Based on our recent discussions, I understand that your Office has already reviewed the circumstances surrounding the destruction of the videotapes, as well as the existence of any pending relevant investigations or other preservation obligations at the time the destruction occurred. As a first step in our inquiry, I ask that you provide us the substance of that review at the meeting.

Thank you for your cooperation with the Department in this matter. Please feel free to contact me if you have any questions.

Sincerely,

Kenneth L. Wainstein
Assistant Attorney General
National Security Division
