Congressional Liaison Offices of Selected Federal Agencies

Audrey Celeste Crane-Hirsch
Reference Librarian

Updated September 25, 2018
Summary

This list of about 200 congressional liaison offices is intended to help congressional offices in placing telephone calls and addressing correspondence to government agencies. The information was supplied by the appropriate agency and is current as of the date of publication. Entries are arranged alphabetically in four sections: legislative branch; judicial branch; executive branch; and agencies, boards, and commissions.

This report is not intended to be comprehensive. It includes contacts at major federal agencies and agencies for which CRS has received repeated requests. If you need a contact for a federal agency not listed in this report, or for a private organization, such as a business or nonprofit, or a state agency, please place a request on CRS.gov or call 7-5700.

This report was produced for congressional offices only.
