FACTS

11. Plaintiff is being subjected to retaliation by Defendants for his refusal to falsify intelligence collected by him [REDACTED]
[REDACTED]
12. Plaintiff is a male of Near Eastern ancestry who joined the CIA as a contract covert Operations Officer in 1982. During the ensuing twenty-two year period Plaintiff has conducted numerous successful covert operations against a variety of intelligence targets while serving in the CIA Directorate of Operations ("CIA/DO"). This service and his significant contributions resulted in his eventual approval for promotion to the rank of GS-15 and for receipt of the CIA Special Intelligence Medal in recognition of his [REDACTED] recruitment of an [REDACTED] [REDACTED] penetrating a target country's WMD program [REDACTED]
[REDACTED]
13. In 1995 Plaintiff was advised by Defendant CIA that his employment had been converted from that of a contractor to a staff employee. Thereafter, Plaintiff received regular GS promotions, bi-weekly payment stubs and other related documents reflecting his current "GS" status, salary and benefits.
14. In 1995 Plaintiff was assigned to the CIA/DO Counter Proliferation Division ("CIA/DO/CPD") where his mission was to collect intelligence on and interdict the proliferation of WMD, [REDACTED]
[REDACTED]

15. At all times pertinent hereto CIA/DO/CPD served as the primary collection point at CIA/DO for Near Easter WMD programs, [REDACTED]
16. While serving at CIA/DO/CPD Plaintiff recruited many "hard-target" human "assets," [REDACTED]
17. Plaintiff was first subjected to a demand that he alter his intelligence reporting in 2000, [REDACTED] Plaintiff reported this information via formal CIA cable channels. Plaintiff was subsequently advised by CIA management that his report did not support the earlier assessment [REDACTED] and instructed that if he did not alter his report to support this assessment it would not be received well by the intelligence community. Plaintiff was aware that earlier reporting underlying the assessment was less-than-genuine and refused to alter his report. As the result, CIA/DO/CPD refused to disseminate his report to the intelligence community despite Plaintiff's efforts.
18. In 2001, Plaintiff met with a highly respected human asset [REDACTED] Plaintiff immediately reported this information to his supervisor who in-turn met with CIA/DO/CPD management. Plaintiff was later instructed that he should prepare

no written report of the matter and that the Deputy Director of Operations ("DDO") together with the Chief of CIA/DO/CPD would personally brief the President. Upon information and belief, Plaintiff avers that no such briefing ever occurred and therefore the President was misled by the withholding of vital intelligence. Subsequently, in 2002, the Chief of CIA/DO/CPD advised Plaintiff that his promotion to GS-15 and receipt of the Special Intelligence Medal had been approved by the DDO but were being withheld until Plaintiff removed himself from further handling of this asset.

19. In 2001, Plaintiff attempted to report "actionable" intelligence

Plaintiff reported this information to CIA/DO/CPD via formal cable channels. However, the CIA never disseminated this information in the intelligence community despite Plaintiff's pleas to do so, effectively sequestering intelligence

channels, CIA/DO/CPD instructed Plaintiff to remove himself from further handling of the asset [REDACTED]

22. Subsequently, in 2003 Plaintiff learned that he was under a counter-intelligence ("CI") investigation for allegedly having sex with a female asset, which Plaintiff did not do. In addition, Plaintiff was told five days after he began a new position at CIA that the position had been canceled because of pressure from the DDO, James Pavitt. Plaintiff also was told by the Chief of CIA/DO/CPD that the DDO was angry with Plaintiff because he believed Plaintiff was blackmailing him [REDACTED] [REDACTED] which Plaintiff did not do.
23. In September, 2003 the Chief of the CIA Counter Intelligence Center ("CIA/CIC") placed Plaintiff on paid administrative leave without explanation, barring Plaintiff from entering any CIA facilities or engaging in any further operations on behalf of CIA.
24. During this period the DDO determined to withhold from Plaintiff his previously approved promotion to GS-15 and award of the CIA "Medal of Intelligence."
25. Some eight months later Plaintiff was contacted by the CIA Office of Inspector General ("CIA/OIG"), which advised him that he was under investigation for diverting to his own use monies provided to him for payment to human assets, which Plaintiff did not do. These allegations were made by the same CIA/DO/CPD managers who managed the operations and reporting [REDACTED] [REDACTED] in which Plaintiff had been involved as described above.

Plaintiff subsequently cooperated with requests for detailed financial information from the CIA/OIG.

26. During the week of July 26, 2004 Plaintiff again met with investigators from CIA/OIG who presented him with a list of financial items to explain, including one outgoing check for \$30.00 that predated the time period of any of the CI issues. Plaintiff explained all of the deposits.
27. On August 6, 2004 Plaintiff met with two representatives from CIA who presented him with a letter of termination for unspecified reasons, effective September 10, 2004. The letter described Plaintiff as a contractor whose services were no longer required. Despite his repeated requests, Plaintiff has never been advised of the outcome of either the CI or OIG investigations of his conduct.
28. On information and belief, Plaintiff avers that both the CI and OIG investigations of him were a sham, initiated for the sole purpose of discrediting him and retaliating against him for questioning the integrity of the WMD reporting [REDACTED] and for refusing to falsify his intelligence reporting to support the politically mandated conclusion [REDACTED].
29. On information and belief, Plaintiff avers that the termination of his employment at CIA was in further retaliation for, and to contrive a pretext to discredit, his refusal to falsify his intelligence reporting to support the politically mandated conclusion [REDACTED].

38. Defendant CIA has wilfully and intentionally failed to the greatest extent practicable to collect directly from Plaintiff information that may result, and which has resulted, in adverse determinations about the rights, benefits and privileges of Plaintiff under Federal Programs in violation of § 552a(e)(2).

As a direct and proximate result of Defendant CIA's complained of acts and omissions, Plaintiff has suffered damages in the form of loss of wages and benefits, loss of career opportunity, loss of promotion, loss of professional and personal reputation, substantial out-of-pocket costs, including attorneys fees, and mental suffering producing physical symptoms.
40. Pursuant to §§ 552a(g)(1), Plaintiff is entitled to actual damages and costs of the

instant action for Defendant CIA's violation of § 552a(e)(2).

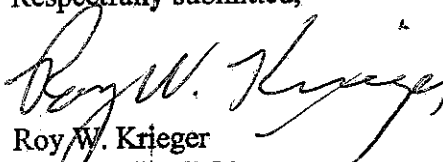

41. Plaintiff asks this Court to order and provide all the relief to which his is entitled for Defendant CIA's violations of the Privacy Act, as alleged above.
