(U) DECLASSIFICATION DETERMINATION

I have determined, pursuant to section 142c of the Atomic Energy Act of 1954, that the following information can be published without undue risk to the common defense and security of the United States, and can, therefore, be declassified and removed from the category of Restricted Data:

that a specified weapon that has been fully retired and dismantled was safed by insertion of inert material into the pit and

that nuclear safety may be achieved, in part, by minimizing the amount of fissile material in the pit, weapon unspecified.
