DECLASSIFICATION DETERMINATION

We have determined, pursuant to section 142c of the Atomic Energy Act of 1954, that the following information can be published without undue risk to the common defense and security of the United States, and can, therefore, be declassified and removed from the category of Formerly Restricted Data:

- The total size of the U.S. nuclear stockpile as of September 30, 2015
- The number of weapons dismantled for disposal as of September 30, 2015

Matthew Moury
Associate Under Secretary
Office of Environment, Health, Safety and Security
Department of Energy

Date: 3/13/16

Vahid Majidi, Ph.D.
Deputy Assistant Secretary of Defense (Nuclear Matters)
Department of Defense

Date: 2/9/2016
